

DECLARACIÓN DE ÉTICA CON PROVEEDORES

For Industrializadora Oleofinos S.A. de C.V., our suppliers are a fundamental link for the consolidation of our operations and an extension of our production chain, so we highly appreciate their quality service that strengthens our growth.

It is our desire to give sustainability to healthy business relationships at any time and circumstance, for that reason, due to our Code of Ethics, we want to ask you NOT to send gifts or gratuities, since this practice is considered as an action that goes against our values and could also generate a conflict of interest.
